To Whom It May Concern:

Please accept this Letter of Recommendation for Dianelle Wiesner.

Dianelle was independently contracted by Green Earthology since September, 2016 as the Director of Marketing. We enjoyed her enthusiasm, creativity and drive and she took initiative to assist us with developing presentation formats, which were used to capture our regenerative technology concepts.

Green Earthology was in the early stages of developing marketing concepts and Dianelle was crucial in implementing the visual aids needed to launch our products.

We wish Dianelle all the best for a prosperous and beneficial career.

Sincerely,

Denise Alvinito

Director
