MEMORANDUM

To: Future Employers

RE: Dianelle Wiesner

To Whom It May Concern:

As a senior Faculty member at the Art Institute of CA, a College of Argosy University, I am writing with immense pleasure to recommend Dianelle Wiesner, a former student from Ai's advertising program. Dianelle brings a great attitude into the classroom, and accomplishes projects at a high level.

Dianelle was one of the school's top students, and believes in hard work. She has an uncommon passion and intensity, was a consistent top performer in my classes. She was a key contributor to the 2016 NSAC competition, and also excelled as a member of the NSAC presentation team. Her commitment to the advertising industry is apparent, and she has an intense desire to learn more about advertising and to succeed in her career. She would be an asset to your company, and I have every reason to believe that she will be a top performer in the advertising industry.

Please feel free to contact me with any questions, or if I can be of assistance.

Sincerely,

Rob Esperti, M.A.Ed.
Faculty, AICASD
